

delivery instructions

IMPORTANT – PLEASE READ CAREFULLY

BTB Mailflight operates a timed booking in system for deliveries to help avoid your vehicles having to wait whilst others are being unloaded. You will be dedicated a time slot for you to make your delivery, but if at any time you can foresee a delay in your delivery please notify us immediately.

We would like 48 hours notice, and at least 24 hours notice. However the earlier you can book in your delivery the better to ensure we are able to give you a slot that is most suitable.

Our dedicated phone lines for booking in your delivery are:

Head Office and Mailing Operation - 01234 84 84 06

Wolseley Road, Woburn Road Industrial Estate, Kempston, Bedford, MK42 7UA

Contact Name: Aneta Bednarczyk (Warehouse Administrator)

Response Fulfilment Centre – 01234 227 884

2B Viking Industrial Estate, Hudson Road, Bedford, MK41 0QB

Contact Name: Lyn Sheen (Senior Warehouse Administrator).

Standard opening times for deliveries: 8.30am to 4.30pm Monday-Friday

(Deliveries outside of these hours can be accommodated if necessary)

When you contact our Goods-In department please supply ALL of the following information:

1. Date you would like to make the delivery
2. Time you would like to make the delivery
3. Supplier name
4. Haulier name
5. Description of delivery, & the job names/no. the materials are required for (if known)
6. Total quantity
7. Total number of pallets
8. Total number of boxes
9. Name of originator i.e. BTB Mailflight's Client
10. Name of Client's Account Handler at BTB Mailflight

The information from points 3 to 10 should also be included on the delivery paperwork.

Delivering materials to BTB Mailflight

Inserts

- Pack in boxes.
- Turn in as larger volumes of bundles as possible.
- Label each box with insert name.
- Put on pallets shrink-wrap and strap pallets securely.

Mailsorted letters

- Mark each box with 1 of ? (however many boxes in total)
- Mark on each box the starting and finishing mailsort code.
- Put boxes on pallets mark pallets 1 of ? (however many pallets in total)
- Shrink-wrap and strap pallets securely.

Brochures/magazines etc

- Put on pallets
- Turn in as larger volumes of bundles as possible (preferably 50's)²
- Please do not shrink-wrap brochures or strap them in bundles.¹
- Ensure brochures all face the same way in bundles.
- Shrink-wrap and strap pallets securely.

Products

- Supply products in clearly labelled boxes or for larger items on clearly labelled pallets.
- Details required include: name of originator e.g, BTB Mailflight's client, stock code, quantity, and description.
- Please try not to mix different product types in the same box.³

Please note

¹ Bundles that are supplied to us shrinkwrapped will incur additional charges because it slows down the production process.

² Materials supplied in small turned bundles will also be subject to additional handling fees, please ensure bundles are supplied in as large turns as possible.

³ This will take us additional time to sort, count, and allocate the products to the correct stock location and will therefore incur costs.

All additional charges or operations requiring additional estimation will be notified as soon as possible following receipt of the material.
